Appleton *app*Rock Orbital
Instruction Manual

I. Specifications:

Speed:	Adjustable 3 to 70 rpm	**Orbit:**	19 mm
Temp. Range:	+4 to 45°C	**Weight:**	5 kg
Load Capacity:	3.4 kg	**Platform**	30.0 x 30.0 cm
Dimensions:	30.0 x 30.0 x 20 cm		
Electrical:	230V, 50 Hz	**Warranty:**	2 years

II. Product Set-Up:

Place the shaker on a clean, flat, stable surface. Make sure that the power switch is in the OFF (not illuminated) position. Plug the shaker into a properly grounded outlet. Check that nothing blocks the orbital motion of the platform. **Set the Speed Control knob to the lowest speed setting (full counter clockwise)**.

III. Product Operation:

- Load the platform from the centre out, making sure the items placed on the platform create a balanced load around the centre line of the platform.
- Turn the unit on by activating the ON/OFF switch so that it is illuminated.
- Rotate the speed control knob clockwise to set the desired rocking speed.

IV. Accessories, stacking platforms and mats:

A stacking platform is available, which effectively doubles the work area. There is a 7.5 cm separation between the two platforms, allowing access to the content of both trays. The stacking platform comes with a flat mat. Please contact us for more information.

VI. Care and Maintenance:

No routine maintenance is required other than to keep the unit clean. Cleaning can be done with a damp cloth. Avoid the use of harsh solvents. Appleton Woods distributes these products in the UK, for customer service or technical support, please contact: **info@appletonwoods.co.uk** or call on **0121 4587740.**

This product is covered by the **Appleton Promise** which means that should any faults arise within the 2 years warranty period it will be replaced free of charge. Damage from neglect, misuse or dropping the unit will not be covered under the warranty.
